

August 26, 2021

Welcome to the 2021-2022 Crawford School year! We look forward to another successful year of academic achievement for our students! Our school year begins with a one-half day of in-person instruction for all students on Tuesday-September 7, 2021. Doors to our school open at 7:15 am, with instruction beginning at 7:30 am. We will dismiss at 11:12 am. Wednesday-September 8, 2021 will be a full day of in-person instruction. Student Handbooks will be distributed on September 7, 2021.

The Crawford School Board of Education passed a resolution on August 25, 2021 regarding protocols to start the school year. Please be reminded, these protocols may change at any time.

### **Masks**

Masks will be optional, but recommended to start the school year. The wearing of a mask is a personal and family choice. We will work with all students and families to ensure our school culture is accepting for all students. Please note this may change, at any time, throughout the school year. We will make every effort to maintain our priority of safety. Your flexibility, cooperation and collaboration is appreciated.

**Per Center for Disease Control mandate, all students on a school bus are required to wear a proper mask, at all times on the bus.**

### **Protocols**

- We will properly ventilate the school at all times, based on weather conditions.
- Students are required to wash hands frequently.
- Parents are asked to keep their children home if not feeling well. Please contact the school. Please monitor your child's health closely each morning.
- Proper hand sanitization, cleaning of desks, covering mouth when sneezing or coughing and social distancing wherever possible will be followed.
- Sanitization of the bus and schoolhouse will occur on a nightly basis, minimally.
- Incidents of symptoms, illness or direct contact with COVID 19 will be communicated with Region Health Department #10. All procedures for returning to school will be discussed with Region Health Department # 10.
