

Saturday-September 4, 2021

Dear Crawford School Family,

We are excited to welcome our students back to school on Tuesday, September 7 for our first day of in-person instruction! Please be reminded this will be a one-half day of instruction, beginning at 7:30 am and dismissing at 11:12 am. Wednesday will be a full day of instruction. Students will be bringing handbooks home with them on Tuesday. Please remember, masks are optional, but recommended, as of today. This may be subject to change at any time.

With a heavy heart, I am disappointed to communicate we learned yesterday that Mrs. Heather Horn has accepted a teaching position with another school district, effective immediately. While the timing of this is challenging, we wish Mrs. Horn the best and thank her for years of dedicated service to Crawford School. She will be greatly missed.

We have started the active process of finding a certified teacher to replace Mrs. Horn. This could be on a short or long term basis, dependent upon the credentials of the candidates. Our staff is ready to work together to ensure all students are taken care of and successfully educated.

Crawford School is founded on strength, teamwork, courage and family values. When we face challenges like this, we find a way to stay strong together! Our Board of Education and dedicated staff will continue to dedicate themselves to our school community. Together, we will continue to make a difference.

Please have a safe and enjoyable Labor Day Weekend! We look forward to seeing our students on Tuesday morning!

If you have questions or concerns, please feel free to contact me. Thank you.
